

MUHAMMAD ZIDAN MU'ARIF

Junior Front End Developer

Jakarta, Indonesia 13720 | +62 83897141184 | zidanmuarif24@gmail.com

PROFILE:

I am a student and passionate front-end developer about creating responsive and user-friendly web applications. With a strong foundation in HTML, CSS, JavaScript, and API integration, I enjoy building dynamic web experiences. I have honed my skills through personal projects, developing responsive and interactive web applications. Eager to apply my skills as a Front-End Intern and continue growing in a professional environment.
